ABOUT

Passionate about learning programming languages and making a better life by taking challenges. Having a background of being a solar panel engineer and 3 years of project management has improved my logical mindset and teamwork. I'm detail oriented and a patient person.

Favorite quote: "Life would be much easier if I had the source code".

EDUCATION

BACK KHOA UNIVERSITY | 2014 – 2019

Major: Telecommunication

Graduation essay: Project IoT Solar Tracking

A system follow and move the PV modules to face the sun.
